Family and Medical Leave Act
New Forms and Poster Requirement

The United States Department of Labor has updated the forms that should be used, and the poster that should be displayed, in connection with the Family and Medical Leave Act.

The new forms can be downloaded and are available [here](#).

The new poster can be downloaded and is available [here](#).

The new forms should be used, and the poster should be displayed, immediately.

You may wish to simply tape the new poster over the old one if you use one of the commercially available "all in one" posters and do not want to replace it.

As a reminder, the Family and Medical Leave Act only applies to employers with 50 or more employees working within a 75-mile radius of a worksite.
